

## Excel 2016: Change Comment Box Shape

You may find it interesting to change the shape of the traditional “Comment Box” from the familiar rectangle to a custom shape in Excel 2016.

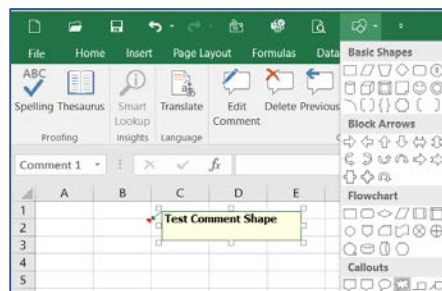

From the Quick Access Toolbar

1. Select Customize
2. Then, All Commands
3. Then, Add Change Shape

Select the cell that contains the comment

- Then, from the Review Tab - Edit Comment

Click the border of the selected comment to select all

1. Then, click Change Shape button on Quick Access Toolbar
2. Then you Pick a Shape

How to set the shape back to Normal? Pick rectangle!

**Note:** If you are having trouble selecting the comment, try clicking the Next button on Review tab then change shape from Quick Access Toolbar.
